

Detecting and Managing Urinary Tract Infections

Staff member's name:

Assessor's Name:

Date:

Skills Audit

The purpose of this audit is for the staff member to demonstrate competent practice when caring for a resident with a UTI whilst working within organisational guidelines, policies and procedures. Resources in addition to the corresponding ACC course may be required to demonstrate this knowledge.

Routine Hand Washing

Question	Answer	Date
Give an example of a time when you have been involved in supporting an older person with a UTI?		
What symptoms were presented and how did you and the team identify the UTI?		
What steps did you follow in order to confirm the diagnosis and arrange treatment?		
In what ways do you think we could promote awareness of UTIs (their prevention and identification) amongst all staff?		

Detecting and Managing Urinary Tract Infections

Skills assessment completed satisfactorily:

Yes No
