

Skills Audit

The purpose of this audit is for the staff member to demonstrate safe and competent practice in cleaning a resident's own teeth or dentures, whilst working within organisational guidelines, policies and procedures.

In order to complete this audit, resources in addition to the corresponding ACC program may be required to demonstrate this knowledge.

The audit should be conducted by an Assessor who is familiar with Oral Hygiene Policy and Procedure and is competent in performing the procedure.

The assessments may be conducted individually or at the same time.

The resources for this ACC program have been developed with the support of the Health Television Network Pty Limited. www.htn.edu.au
